

Finding Your Way Around

Wirral is easily accessible by road, rail, sea and air. Both Liverpool John Lennon Airport and Manchester International Airport are a realistic 45 minutes by road. The M53 motorway which runs through Wirral connects to the M56 and M6.

Two Mersey Tunnels link Wirral to Liverpool and the rest of Merseyside, and Europe's oldest ferry continues the "Ferry 'cross the Mersey" service from Woodside and Seacombe.

A local rail network connects the peninsula to the national rail network via Liverpool Lime Street Station. Wirral also boasts a comprehensive local bus network for you to explore the region.
